Martin Meader ran a 5 week workshop with Public Transport Authority staff in September 2004.

30 people registered for the class and numbers remained high throughout all of the 5 weeks, which is generally unheard of at PTA!

At the end of the first hour, he had us singing in 4 parts and even some unexpected soloists! In the final week, we performed 5 of the songs to about 40 other PTA staff who really enjoyed the show. Martin had them all singing along and dancing with us and they even cheered for an encore!!!

The workshop was initiated with the purpose of teambuilding between employees of all levels and this was most certainly achieved.

The feedback from participants has been extremely positive – everyone had a lot of fun and was amazed at how impressive we sounded with less than 5 hours training.

Kind regards
